

Disability History Association - Outstanding Article or Book Chapter Award, 2020

The [Disability History Association](#) (DHA) promotes the relevance of disability to broader historical enquiry and facilitates research, conference travel, and publication for scholars engaged in any field of disability history.

The Disability History Association takes pleasure in inviting entries for the Article / Book Chapter Award, part of its 9th Annual Outstanding Publication Award that also includes a separate Book Award.

In calling for article and edited collection book chapter submissions for the 2020 award, the award committee welcomes entries that feature new and original history of disability scholarship. To be considered, submissions MUST have significant historical content.

The award is open to authors writing across all geographic areas and time periods. The publication must be in English, and with first publication taking place between January 1 and December 31, 2019. We are conscious that some journals publish an electronic advance copy of articles that can appear a considerable time before the print copy is published; we also recognize that some journals are running behind schedule so that, for example, an article published in October 2019 might actually appear in a 2018 edition. First publication is the key criteria, but we will endeavor to be sympathetic in cases of "behind schedule" publication. If you feel that your proposed submission should be considered, but might be at risk of disqualification by definitions of "first publication," please email for adjudication by the Awards Committee.

The amount of the award is \$200 for first place and \$100 for honorable mention.

All submissions should be sent to the award committee, via Iain Hutchison, no later than May 15, 2020. One electronic (.pdf or .doc) copy of the article or book chapter to be sent to: Dr Iain Hutchison, Centre for the History of Medicine, University of Glasgow; iain.hutchison@glasgow.ac.uk.

In the interest of modeling best practice in the field of disability history, we require that the publisher/author provide an electronic copy in text-based .pdf or .doc file compatible with screen reading software for the review committee. We understand that copyright rules apply, and we will only use the electronic copy for the purposes of the DHA Outstanding Publication Award. Manuscripts not provided in accessible electronic formats for screen reading software in a timely manner cannot be considered for the prize.

Please include the full bibliographic citation of your submission in the Chicago Manual of Style format.

The Disability History Association Board plans to announce the recipients of the DHA Outstanding Publication Award in September 2020.

Members of the DHA Board are not eligible for the award.
